

TBL KNEBWORTH 30TH ANNIVERSARY CELEBRATION DAY PLANNED

To celebrate the 30th anniversary of Led Zeppelin at Knebworth we are planning a one day get together of fans. The date we are looking at is Saturday August 8 - the venue is a pub in old Knebworth about ten minutes walk from the actual park. This is an opportunity to return to the site of the final Led Zeppelin UK gigs exactly 30 years to the week it all happened. The event will include Zep/Knebworth footage, memorabilia displays, charity auction and Q and A sessions. Admission will be £10. The price includes a buffet meal. It will run from around mid day to 11pm.

The event will also see the launch of the forthcoming Dave Lewis compiled book "Then As It Was :Led Zeppelin At Knebworth - 30 Years Gone". The book chronicles this milestone event in rock history with the full story behind the band's triumphant return to the stage - the build up to the event, the concerts themselves, the aftermath and the accompanying impact of their final studio album In Through The Out Door. The book also incorporates first hand accounts from fans who attended the gigs, interviews from the time and retrospective views. It's illustrated throughout with rare photos and memorabilia. It will be published in a strict limited edition -more details on this shortly. The Knebworth Celebration event will be the first opportunity to buy the book and Dave Lewis will be in attendance to sign and talk about the book.

IMPORTANT: URGENT RESPONSE REQUIRED NOW.

We need to plan the expected attendance of this one day Knebworth Celebration. If you are interested in attending can you please e-mail davelewis.tbl@virgin.net as soon as possible.

There are limited numbers available so please let us know how many tickets you require at £10 each. These will then be reserved . Urgent response is required!

So get ready to join us in celebrating the momentous anniversary of the final Led Zeppelin UK shows in the area it all happened - as all roads lead back to Knebworth 30 years on. More details on all this coming soon.
